6th October 2026

Dear Families

Following feedback from our parent survey last term, we will be **trialling a tiered pricing structure for our after-school club when we return after the October half-term break**. This trial will help us assess both the level of demand for a tiered model and its financial viability.

As the club has grown in popularity, staggered sessions may also alleviate some of the pressure on the booking system and balance demand by not having spaces for a full session taken up by children who may only need to attend for part of the club.

The pricing during the trial will be as follows:

3:15pm - 4:15pm £11.00 (short session)
4:15pm – 6.00pm £14.00 (mid-session following an extra-curricular club)
3:15pm – 6.00pm £16.50 (full session)

For safeguarding reasons, we have to maintain suitable staff-to-pupil ratios. It is therefore imperative that parents and guardians arrive on time to collect children. Please note that **for any pupil booked into the short session who isn't collected by 4.15pm, the charge for a full session (£16.50 until 6.00pm) will be applied.** Repeated late collections may result in the withdrawal of your child's place.

The above is temporarily in place in addition to our usual terms and conditions, details of which can be found within the HLASC Parent Handbook on our website:

https://www.hollylodge.kite.academy/parents/clubs/holly-lodge-breakfast-club/

The trial will run from November 2026 to February half-term 2027. Booking is now open on Arbor. We will write to families in the Spring term with further updates regarding our after-school club provision. Thank you for your support.

Kind regards,

Tammie Wisnia
Academy Head
