# WHY DOES **OUTDOOR LEARNING** MATTER?

## Education Mission Statement:

Our mission is to deliver outdoor education programmes which enhance a young person's personal, social & academic development through a journey of challenge, adventure and self-discovery.

### Our Values:

#### RESILIENCE

We encourage young people to try new things, build their confidence and overcome obstacles

#### WELLBEING

We inspire young people to improve their physical and mental health

#### BEING SAFE

We teach young people about risk and give them skills to keep safe

#### RESPECT

We help young people understand their personal & social responsibilities

#### SUSTAINABILITY

We encourage young people to think about the environment and their impact on a local and global scale
