TOGETHER WE CAN ACHIEVE MORE

Respect Effort Achieve Care Honesty

Dear Parents and Carers

Thank you for taking part in our parent evenings this week. Support from parents at Holly Lodge is extremely high with attendance at our virtual meetings this week at over 90%. Learning is a partnership and we really value the support you give at home so we can all ensure that your child has the best chances in life. Remember, if you ever have any concerns, do contact your teacher for a meeting at any time.

As the country starts to recover from lockdown and all the restrictions are eased, more dates are being added to the diary for events that are taking place this term. Please do check below. Restrictions will be eased in line with Government guidelines but always with the well-being of the children in mind, as we rebuild children's confidence in interacting with each other. We are planning a sports day for our children, but unfortunately we aren't able to invite parents to join us this year. We are also planning various activities for our Year 6 pupils, including their usual leaver's celebrations. Watch this space!

May I remind parents to please supervise your children on the playground during drop-off and pick up times, and that scooters and bikes shouldn't be ridden on the school grounds.

Enjoy the bank holiday weekend. Let's hope we get some good weather!

Covid Update from Surrey County Council

Schools and colleges will continue to follow national and local coronavirus guidance in line with the roadmap. This includes social distancing between bubbles or cohorts, one-way systems, enhanced cleaning and handwashing, some staggered start and finish times and face coverings where appropriate.

Symptom-free testing is not a replacement for infection prevention and control measures schools and colleges, pupils and their households must continue to follow.

Remember: HANDS – FACE – SPACE, and fresh air

#safeguardingmatters

Originally released in 2006, Roblox has evolved into one of the most popular games for children. However, there are some aspects of the game that have caused concern and some sections may be unsuitable for young players.

Please take time to read the attached guide for more information. It contains information about potential risks such as in-app purchases, on-line dating and inappropriate use of the chat function.
