

Dear Parent/Carer,

RE: SCL Active Price Increases – September 2022

I am writing to notify you of a price increase for SCL Active services running at the Holly Lodge Primary Academy from 1st September 2022.

As you will be aware, the cost-of-living increases are having a significant impact on individuals and businesses across the country following the COVID-19 pandemic. We at SCL have been analysing the impact of these increases on our business and because of significant increases to costs to food, equipment and rises in wage costs, we have had to adjust our prices accordingly for all of our services for Academic Year 2022/23. Please see below a breakdown of the price list for services at Holly Lodge Primary Academy from September 2022.

After School Sports Club - £6.00 per session

These services will be available to book on our website from Monday 4th July 2022 and can be accessed by the following link <https://wearescl.bookinglive.com/>.

If you have any further questions then please don't hesitate to contact our Customer Service team via email enquiries@wearescl.co.uk or phone **0345 644 5747**

Yours Sincerely,

The SCL Team
